

§ 1651.11

§ 1651.11 Simultaneous death.

If a beneficiary dies at the same time as the participant, the beneficiary will be treated as if he or she predeceased the participant and the account will be paid in accordance with §1651.10. The same time is considered to be the same hour and minute as indicated on a death certificate. If the participant and beneficiary are killed in the same event, death is presumed to be simultaneous, unless evidence is presented to the contrary.

§ 1651.12 Homicide.

If the participant's death is the result of a homicide, a beneficiary will not be paid as long as the beneficiary is under investigation by local, state or Federal law enforcement authorities as a suspect. If the beneficiary is implicated in the death of the participant and the beneficiary would be precluded from inheriting under state law, the beneficiary will not be entitled to receive any portion of the participant's account. The Board will follow the state law of the participant's domicile as that law is set forth in a civil court judgment (that, under the law of the state, would protect the Board from double liability or payment) or, in the absence of such a judgment, will apply state law to the facts after all criminal appeals are exhausted. The Board will treat the beneficiary as if he or she predeceased the participant and the account will be paid in accordance with §1651.10.

§ 1651.13 How to apply for a death benefit.

The TSP has created a paper form that a potential beneficiary must use to apply for a TSP death benefit. The TSP must receive this form before a death benefit can be paid. Any individual can file this form with the TSP record keeper. The individual submitting the form must attach to the form a certified copy of the participant's death certificate. The TSP record keeper's acceptance of this form does not entitle the applicant to benefits. Please visit <http://www.tsp.gov> to obtain a copy of this form and for the current

§ 1651.14 How payment is made.

(a) Each beneficiary's death benefit will be disbursed pro rata from the participant's traditional and Roth balances. The payment from the traditional balance will be further pro rated between the tax-deferred balance and tax-exempt balance. The payment from the Roth balance will be further pro rated between contributions in the Roth balance and earnings in the Roth balance. In addition, all death benefits will be disbursed pro rata from all TSP Funds in which the deceased participant's account is invested. All pro rated amounts will be based on the balances in each TSP Fund or source of contributions on the day the disbursement is made. Disbursement will be made separately for each entitled beneficiary.

(b) *Spouse beneficiaries.* The TSP will automatically transfer a surviving spouse's death benefit to a beneficiary participant account (described in §1651.19) established in the spouse's name. The TSP will not maintain a beneficiary participant account if the balance of the beneficiary participant account is less than \$200 on the date the account is established. The Agency also will not transfer this amount or pay it by electronic funds transfer. Instead the spouse will receive an immediate distribution in the form of a check.

(c) *Nonspouse beneficiaries.* The TSP record keeper will send notice of pending payment to each beneficiary. Payment will be sent to the address that is provided on the participant's TSP designation of beneficiary form unless the TSP receives written notice of a more recent address. All beneficiaries must provide the TSP record keeper with a taxpayer identification number; *i.e.*, Social Security number (SSN), employee identification number (EIN), or individual taxpayer identification number (ITIN), as appropriate. The following additional rules apply to payments to nonspouse beneficiaries:

(1) *Payment to minor child or incompetent beneficiary.* Payment will be

made in the name of a minor child or incompetent beneficiary. A parent or other guardian may direct where the payment should be sent and may make any permitted tax withholding election. A guardian of a minor child or incompetent beneficiary must submit court documentation showing his or her appointment as guardian.

(2) *Payment to executor or administrator.* If payment is to the executor or administrator of an estate, the check will be made payable to the estate of the deceased participant, not to the executor or administrator. A TIN must be provided for all estates.

(3) *Payment to trust.* If payment is to a trust, the payment will be made payable to the trust and mailed in care of the trustee. A TIN must be provided for the trust.

(4) *Payment to inherited IRA on behalf of a nonspouse beneficiary.* If payment is to an inherited IRA on behalf of a nonspouse beneficiary, the check will be made payable to the account. Information pertaining to the inherited IRA must be submitted by the IRA trustee. A payment to an inherited IRA will be made only in accordance with the rules set forth in 5 CFR 1650.25.

(5) If a death benefit payment is returned as undeliverable, the TSP record keeper will attempt to contact the beneficiary. If the beneficiary does not respond within 60 days, the TSP will forfeit the death benefit payment to the Plan. The beneficiary can claim the forfeited funds, although they will not be credited with TSP investment returns.

(6) A properly paid death benefit payment cannot be returned to the TSP.

§ 1651.15 Claims referred to the Board.

(a) *Contested claims.* Any challenge to a proposed death benefit payment must be filed in writing with the TSP record keeper before payment. All contested claims will be referred to the Board. The Board may also consider issues on its own.

(b) *Payment deferred.* No payment will be made until the Board has resolved the claim.

§ 1651.16 Missing and unknown beneficiaries.

(a) *Locate and identify beneficiaries.* (1) The TSP record keeper will attempt to identify and locate all potential beneficiaries.

(2) If a beneficiary is not identified and located, and at least one year has passed since the date of the participant's death, the beneficiary will be treated as having predeceased the participant and the beneficiary's share will be paid in accordance with § 1651.10

(b) *Payment to known beneficiaries.* If all potential beneficiaries are known but one or more beneficiaries (and not all) appear to be missing, payment of part of the participant's account may be made to the known beneficiaries. The lost or unidentified beneficiary's share may be paid in accordance with paragraph (a) of this section at a later date.

(c) *Abandoned account.* If no beneficiaries of the account are located, the account will be considered abandoned and the funds will revert to the TSP. If there are multiple beneficiaries and one or more of them refuses to cooperate in the Board's search for the missing beneficiary, the missing beneficiary's share will be considered abandoned. In such circumstances, the account can be reclaimed if the missing beneficiary is found at a later date. However, earnings will not be credited from the date the fund is abandoned. The TSP may require the beneficiary to apply for the death benefit with a TSP form and submit proof of identity and relationship to the participant.

§ 1651.17 Disclaimer of benefits.

(a) *Right to disclaim.* The beneficiary of a TSP account may disclaim his or her right to receive all or part of a TSP death benefit. If the disclaimant is a minor, the parent or guardian of the minor must sign the disclaimer.

(b) *Valid disclaimer.* The disclaimer must expressly state that the beneficiary is disclaiming his or her right
